

ADVANCEMENT FORM FOR HIGHER-LEVEL - INTERNATIONAL COMPETITION

PLEASE READ CAREFULLY BEFORE COMPLETING THIS FORM

The Foreign Clearance Guide will dictate the requirements of VISA's, passports, and/or other required documents such as NATO travel orders. Armed Forces participants must report to the Armed Forces Championship with required travel documentation and proper military uniform in their possession when a CISM Championship immediately follows an Armed Forces event. Participants must attest to their availability for the advanced competition by completing and turning in this Advancement Form prior to the Armed Forces Championship Organization Meeting. This will allow the Armed Forces Team Selection Panel a complete list of fully available candidates prior to the scheduled Armed Forces Team Selection Meeting. Failure to submit this form will disqualify participants from advancing to higher level competition.
